

## TERRESTRIAL VERTEBRATE ECOLOGIST

The Department of Biological Science at Florida International University (<http://biology.fiu.edu>) is seeking qualified candidates (Ph.D. required) for an Assistant Professor and or higher rank position in **Terrestrial Vertebrate Ecology**. Ecologists working on terrestrial vertebrates in all areas of ecology are encouraged to apply. The successful candidate will be expected to have externally funded research at the time of application and maintain an externally funded research program, supervise graduate students in our Ph.D. program, as well as teach undergraduate courses in their area of expertise. The minimum requirements are a Doctoral degree from an accredited institution or the highest degree appropriate in the field of specialization with a demonstrated record of achievement in teaching, academic research, and service.

Qualified candidates are encouraged to apply to **Job Opening ID 512610** at [facultycareers.fiu.edu](http://facultycareers.fiu.edu) and attach cover letter, curriculum vitae, and statements of teaching and research philosophy as a single pdf file. Candidates will be requested to provide names and contact information for at least three references who will be contacted upon submission of application. To receive full consideration, applications and required materials should be received by November 28, 2016. Review will continue until position is filled.

FIU is a member of the State University System of Florida and an Equal Opportunity, Equal Access Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
